Product Code	Pricing Unit	Colour	Thickness	Pack Quantity	Pallet Quantity
PBTFWCP	Each	Translucent	4mm	10	250

Product Description:

Proguard WC Protectors provide protection for all types of WC or toilets and during construction and refurbishment work. The WC Protectors are pre creased and come with lockable tabs to ensure that they are easy and quick to assemble on site.

Manufactured from fluted impact resistant plastic, the WC protectors provide excellent protection against knocks and scratches.

Benefits:

- Instant WC/toilet protection.
- Reusable, Easy to fold and fix in place.
- Quick and easy to cut, crease and curved.
- Durable and reusable.
- 100% waterproof.
- Personalised logo and branding printing available.
- Translucent – allows the surface underneath to be visible.
- Resistant to chemicals.
- 100% Recyclable.

Limitations:

- The WC cannot be used whilst the WC protector is in place.

Application:

Simply folded along the creased lines and fix the lockable tabs. Place over the WC.
